

Planning to come to England?
PLAY RUGBY
WITH
MALVERN RFC

Malvern Rugby Football Club plays in National League Three (Midlands), which is level 5 in the English league system.

Situated in an Area of Outstanding Natural Beauty, Malvern is only 30 miles from Birmingham, 60 miles from Bristol and close to the heart of the UK transport network

Malvern RFC welcomes overseas players from a similar playing background and has already participated in exchange programmes with players from Australia, New Zealand, South Africa, France and Denmark.

Renowned as one of the regions friendliest clubs, Malvern RFC has risen through the league system since winning the national cup competition at Twickenham.

We can assist with finding suitable employment and accommodation in the area for the duration of your time with us.

If you plan to visit the UK and would like to play top intermediate level rugby, then send us a CV, which should be work, education and rugby-related.

E-mail it to chairman@malvernrfc.co.uk and we will respond quickly.

Running University teams ? We welcome exchange programmes.
