The tradition continues at Melbourne Uni RFC with this great Club day of fellowship, humour and all things Rugby!

Join the pre-test celebrations at the LAST CLUB LUNCH for 2010 with us and our special guest speaker; former All Black and Rugby World Cup winning captain, **David Kirk MBE**. On the day MURFC also plays host to arch rivals Harlequins at 3:10pm... and with both Clubs looking to cement a top 4 ladder position, it will be a match up not to be missed!!

David Kirk's unique career has achieved the highest levels in sport, academia and business. His current positions include Chairman of Hoyts Theatre Group and Director of NZ Investment Bank, Forsyth Barr. Formerly, David was CEO of Fairfax and MD of PMP Limited. He was at one time Chief Policy Advisor to the former Prime Minister of NZ, Rt. Hon. Jim Bolger.

In sport, David represented New Zealand in rugby union from 1983-1987 and captained the All Blacks in 1986 and 1987. He played for both Otago and Auckland Universities and represented both Otago and Auckland provinces. In 1987, under his leadership the All Blacks won the inaugural Rugby World Cup. In 1987 he was awarded an MBE for services to rugby.

He graduated in Medicine from the University of Otago in 1985 and in 1987 took up a Rhodes scholarship at Oxford University. He is also the author of two rugby books and is a regular contributor to newspapers around the world.

Always a rousing occasion with many laughs and amusing anecdotes, this is the perfect Club event to invite partners, work colleagues, friends, and family. Given it is also the Bledisloe Cup and with such high profile speaker offering a unique insight into the All Black-Wallaby rivalry and history, **places will fill up fast.**
