

UNIVERSITY RUGBY 2011

Enjoy the game and enjoy the club

Why play for University?

We compete at the highest level in Victoria's Dewar Shield competition with 1st, 2nd, and 3rd Senior Grades, a Colts (U20) and a "Gents" (veteran) team.

We have a strong coaching team led by Paul Webster creating a learning environment suited to bringing the best out of new and emerging players.

We offer Colts (U20) and beginners a pathway to higher grades of rugby. Players who demonstrate early talent are able to progress directly into First Grade and perhaps to representative sides.

The club provides a team to the tri-universities tournament for selection in the Australian Universities Team which tours and plays international sides

Every year, since the 1920s we have been sending a students only team to the Australian University Games. A unique highlight of many past players' rugby careers.

Melbourne University is a well established club, enjoying its 102nd year in 2011.

Rugby is an international game and our members come from around the world. Joining is an excellent way to establish local and international contacts socially and professionally.

We also provide education scholarships and career development opportunities

We provide the best support to our members through: purpose-built club rooms, Foxtel with a large screen and regular social activities, the cheapest subs and best insurance in Victoria, and direct benefits to our players from club sponsors.

Essentially, we take our rugby seriously and play to win. However, we're also here to have fun in the process.
